Chairman's report – Annual Parish Meeting

I would like to welcome everyone and thank you for attending this evening. This meeting is held in addition to the normal Parish meetings which are held every month, except August, making 11 in total.

I would also like to introduce our team for the year ahead Our Parish Clerk- Angela Foster Councillors Kath Foster, Katie Warren, Melanie Howie, Kat Harding, Geoff Cork, Glen Martin, Paul Sexton and and Brian Laidler our caretaker. I would also like to take the opportunity to thank Carol Harris, Julie McDonald, Judith Baker and Chris Moody who has stepped down from the council this year.

All our contact details are available on our website at www.waldridgeparish.co.uk, and in our Clippings newsletter, which is personally delivered by the Councillors to all residents 4 times per year.

The Parish are always happy to have parishioners attend our meetings, raising local issues and concerns, to requesting assistance and information. We can't promise to achieve what everyone wants, but we can promise that we will do everything in our power to act on your behalf.

The Council is here to serve everyone in the area, so if you have any views or ideas to help improve the work of the Parish Council, please let us know as we are always interested to hear you.

Throughout the year we have organised and held many events which will be discussed in our Annual Report. We review these activities constantly; hoping to make everything we are involved in even more successful than in previous years. The aim of these events is to provide a community based events where families and friends can spend valuable, fun filled time together without needing to spend a lot of money. The events have been a great success this year with good feedback. When the Annual Report is issued, you will see just how much has been organised for the Parish, by the Parish, in the last year.

The Parish would like to invite all residents to take an active role in these events and also in our environment by joining one of the many working parties that are organised. Even if you were to just pop along and give 15 minutes once a year to help us pitch an event tent or just set up a table, this would be a most welcome contribution. You'll be made very welcome.

We decided not to re- enter Northumbria in Bloom this year having taken a year out last, the working group has, thanks to the hard work of Councillor Cork, Brian our Caretaker and our hard working volunteers have developed and grown beyond expectations once again. We have sponsored flower beds and as always, the parish looks in great shape with the addition of these beds. This year is going to be slightly different with a bigger focus on the wider community within the Chester le Street AAP bringing more communities into activity, I'm sure Geoff will answer any questions you may have later.

It has been raised by our local police force in the past, that maintaining local amenities to the high standard that we do, actively discourages crime. Our local officers continue to raise regular bulletins that keep us up-to-date with their local initiatives, and they also attend our Parish Meetings on a regular basis. We are very lucky to not only live in this environment, but also one where the crime rate is low. Whilst we all recognise that there is a minority of people who behave in an inappropriate manner; it is important that you continue report incidents to the Police so that suitable measures can be taken to minimise the effect of undesirable behaviour. We we continue with our neighbouring residents in Pelton Fell and with the local Police to rid the nuisance of the off road motorbikes on Cong Burn and would ask all residents to report and sightings to the Police on 101 recording date and time.

We continue to actively push for speed checks in the parish to raise people's awareness of the need for caution in our built up areas. The Police with the support of their volunteers have conducted several of these speed checks at all hours of the day. As a result of these speed checks and the hard work of our County Councillors, new lower speed restriction have come into force as you would have seen in the village and on Waldrige Estate. We will continue to monitor the effect and ask for regular speed checks to be carried out.

Moving on, as with all Councils our financial records are available to be viewed, upon request, by residents of the Parish and our draft financial report for the year will be enclosed in the annual report once issued.

When we distribute copies of our annual report can we ask if anyone has any questions to raise them with us. If you do have any specific parish based queries, please do not hesitate to approach one of your councillors tonight and any questions not able to be answered tonight will be looked into and we will get back to you. I would like to thank the members of our Parish Council, our County Councillors Allan and Paul, and also Durham Constabulary for the time and effort throughout the year they have provided within our community and their attendance at our Parish meetings.

I would also like to specifically thank Angela, the Clerk of the Parish, and Brian, our Parish Caretaker, for all their unseen hard work throughout the year. We wouldn't survive without their support.

I would also like to take this opportunity to thank any of the public that have been involved in helping us this year, also all Parish Councillors for their time and energy. We are all volunteers and give up our time to help our Parishioners as best we can and also to continue keeping our Parish 'looking good'.

I look forward to seeing you again at our Parish meetings.

Many thanks again for giving your time to attend this meeting
